Brainstorm & Idea Prioritization Template:

Brainstorming provides a free and open environment that encourages everyone within a team to participate in the creative thinking process that leads to problem solving. Prioritizing volume over value, out-of-the-box ideas are welcome and built upon, and all participants are encouraged to collaborate, helping each other develop a rich amount of creative solutions.

Use this template in your own brainstorming sessions so your team can unleash their imagination and start shaping concepts even if you're not sitting in the same room.

Step-1: Team Gathering, Collaboration and Select the Problem Statement

Template

Brainstorm & idea prioritization

1

Define your problem statement
What problem are you trying to solve? Frame your problem as a How Might We statement. This will be the focus of your brainstorm.
⌚ 5 minutes

How can data visualization through Tableau uncover hidden patterns in toy manufacturing trends, regional market performance, and consumer behavior to support data-driven decision-making in the toy industry?

Step-2: Brainstorm, Idea Listing and Grouping

2 Brainstorm

Write down any ideas that come to mind that address your problem statement.

10 minutes

Seasonal Demand Forecasting

Region-wise Sales Optimization

Consumer Preference Segmentation

Top Performing Product Category Identification

TP You can use a sticky note and the provided template to start drawing.

3 Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you can break it up into smaller sub-groups.

20 minutes

TP Add context to your sticky notes to make it easier to find, follow, improve, and categorize important ideas on boards within your mind.

Track seasonal trends

Top states by sales

Consumer type split

Best toy categories

Index-based analysis

Step-3: Idea Prioritization

4 Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.

30 minutes

TP Participants can use their imagination to come up with ideas to place on the grid. The facilitator can moderate the group by using the timer and holding the H key on the keyboard.
